3. Under the "CHALICE Development" portion of the budget, Firevel tech. reps. have been eliminated from the original budget. In view of prospective new locations, the question is raised as to whether additional funds should be budgeted for Firevel Contract ST-507 of approximately [ ]. SUBJECT : Development Projects Division FY 62 Budget

As a matter of some urgency, Mr. Bissell has requested that IPD take another look at the figures contained in the IPD FY 62 budget now in his hands, with a view to determining whether the Division as a whole can "live with the figures now in hand." Any costs of which Branch Chiefs are aware which were not contained in the original FY 62 submission and which are well grounded in new programs should be made known to [ ] IPD Comptroller, without delay. I should like to request that [ ] receive your replies, either negative or positive, no later than COB 2 November.
